2. Form, Style and Placement in Administrative Code

a. The agency may wish to put the text of the rule in the definition section of ch. ATCP 105 instead of putting it in the last section of the chapter.

b. It is not clear how a retailer will be able, prior to a sale, to determine some discounts, rebates or credits. As a result, some individual sales may be made at less than the seller's cost, causing a violation of the law. The agency may want to address this issue in the final rule.
